9 DAY UGANDA SAFARI

Itinerary

DAY 1 Transfer to Murchison Falls National Park

On morning arrival at Entebbe International Airport, you will meet our safari guide representative. We will depart for Murchison Falls National Park arriving in the afternoon. The drive will take 5-6 hours, taking a stop over at Masindi hotel for lunch. We will visit the top of Murchison Falls. Here, the Nile River is forced through a narrow gap in the rock before plunging 140 feet down. From here we will continue on, taking a ferry across the river, viewing hippos, elephants, buffalos and other animals along the river banks.

DAY 2 Game Drive and Boat Cruise

We depart on an early morning game drive in this park, with excellent opportunities to see lions, leopards, giant forest hogs, buffaloes, elephants, waterbucks, Uganda kobs, topi and much more. Then we will take a cruise on the Nile to the bottom of the falls where we will see hippos and crocodiles.

DAY 3 Transfer to Kibale Forest National Park

We will depart for a half day drive west via Mubende to Fort Portal, passing through the scenic countryside of Rwenzori Mountains. Known as the "Mountains of the Moon", the Rwenzori mountain range in Central Africa is the source of the Nile River. We relax in the afternoon.

DAY 4 Chimpanzee Tracking and Nature Walk

We enter Kibale Forest National Park Forest for primate viewing in the morning. We search for chimpanzees and other primates including phoestes, Red-Colobus, Blues, Red-tailed and grey cheeked Mangabey. After lunch, we visit to Bigodi swamp eco tourism site and explore the areas rare and beautiful flora and fauna. A variety of bird species flourish among these trees.

DAY 5 Depart to Queen Elizabeth National Park

This morning, we depart for Queen Elizabeth National Park. Queen Elizabeth is Uganda's most popular game reserve. It boasts one of the highest bio diversity ratings of any game park in the world, from the open savannah to rain forest, dense swamps and beautiful crater lakes to the vastness of Lake Edward. Almost 100 species are found here including hippos, lions, buffaloes, leopards, hyenas, chimps, colobus monkeys and baboons.

DAY 6 Chimpanzee Tracking and Boat Cruise

We venture into Queen Elizabeth park to view antelopes, hyenas, lion and other animals on the savannah. Also, we enter the Kyambura Gorge to track chimpanzees. In the afternoon, we enjoy the unique 2-hour boat cruise on the Kazinga Channel and into Lake Edward. This trip passes through a high concentration of hippos, buffalo, elephants, crocodile and water birds, for fantastic photo opportunities.

DAY 7 Drive to Bwindi Impenetrable National Park

This morning, we will leave for Bwindi Impenetrable Forest, home to the few remaining mountain gorillas. Bird life and primate life in Bwindi is quite superb, and there is an incredible variety of flora. Once continuous with the forests of the Virunga Volcanoes (Dian Fossey's stomping ground), Bwindi is now an ecological island, surrounded by cultivation on the rich volcanic soils.

DAY 8 Gorilla Trekking

We head to the park headquarters for a briefing from the Uganda Wildlife Authority before setting off to the forest see the gorillas. The ranger guides will take you through the forest to track gorillas, which can take from half an hour to five hours. A reasonable degree of fitness is required as well as a sturdy pair of walking shoes. If you have the afternoon free, you will take a guided village walk to see how the Ugandans live.

DAY 9 Transfer to Kampala

We will depart to Kampala, with lunch en route, arriving in the evening. Transfer to the airport if applicable.. the lake.

UGANDA

Best Time to Visit

Although generally equatorial, the climate is not uniform as the altitude modifies the climate. Southern Uganda is wetter with rain generally spread throughout the year. At Entebbe on the northern shore of Lake Victoria, most rain falls from March to June and the November/December period. Further to the north a dry season gradually emerges at Gulu about 120km from the Sudanese border, November to February is much drier than the rest of the year. The northeastern Karamoja region has the driest climate and is prone to droughts in some years. Rwenzori in the southwest on the border with Congo (DRC) receives heavy rain all year round. The south of the country is heavily influenced by on the world's biggest lakes, Lake Victoria, which contains many islands. It prevents temperatures from varying significantly and increases cloudiness and rainfall.

Gorilla trekking is regarded as a year-round activity, however, the dry seasons January, February and June to September are considered the best time to see the endangered mountain gorillas.

Temperature

Month	Jan	Feb	Mar	Apr	May	Jun

Entry Requirements

Uganda Visas are issued on arrival. US Citizens pay \$50 entry fees. A passport valid for 3 months after date of entry is required. Visitors must hold return/onward tickets and all documents required for their next destination.

Vaccinations

Uganda requires proof of a valid Yellow Fever immunization certificate. Hepatitis A and B, Tetanus, and Typhoid immunizations are recommended for all travelers. Malaria prophylaxis is recommended and you should consult your local doctor or physician to advise which malaria medication is best suited for you. Information on vaccinations and other health precautions, such as safe food and water precautions and insect bite protection, may be obtained from the CDC's Internet site at <http://www.cdc.gov/travel>

Travel Advisories

Make two photocopies of valuables such as your passport, tickets, visas and travelers' cheques. Keep one copy with you in a separate place to the original and leave another copy with someone at home.

Be sure to inform your credit card company as well as your bank you will travel internationally into Africa. This will eliminate any credit card holds for fraudulent activity.

Currency

Carrying cash, an ATM or traveler's check card and also a credit card that can be used for cash advances in case of emergency is advisable. The best places to exchange money are normally bureau de change, which are fast, have longer hours and often give slightly better rates than banks. Local currency is Ugandan Shillings (UGX), however most places accept USD. Better hotels, lodges, and camps will accept credit cards; however it is advised to withdraw cash when visiting remote areas and villages.

Government

Uganda – is a presidential republic whereby the President is both head of state and head of government.

Religion

Uganda – 84% Christian, 41.9% Catholic, 35.9% Anglican, 12% Muslim, and 1% traditional religions.
